Aprox one dozen riders meet regularly to do a fifty mile ride which they organise between them.</p> <p>The Sunday rides have proved to be a great success and we look forward to the next organised ride on the last Sunday of July..</p> <p><b>b.. GO RIDE</b></p> <p>Go ride has continued to go well despite lower numbers the coaches have had some really good sessions and seen big improvements in the children. With several showing potential to race next year.</p> <p>David has had a few meetings with regard to forming a Satellite Club at the BKCAT circuit to encourage inactive kids to become more active through cycling. And has agreed to coach children after school on Monday evenings for an hour after school prior to our Go ride sessions then hopefully these will feed into our go ride group of kids.</p> <p>The club has been promised £3,000 from Yorkshire Sport foundation which will be given in two payments half in September 2017 and half in six months time. This will go into paying for the track hire, skills sessions &amp; track sessions. An idea is to give the children score cards as they learn and progress into racing.</p> <p><b>RACING</b></p> <p>Club members, Ross Limbert, Jacob Feetham, Duncan Marlow &amp; Anton have been taking part in various Cycle Races.. Well done lads keep up the training. You might be having some competition soon as our young Go Ride Youths entered this year and have got the taste.. watch out for our little ones next year too..</p> |  |  |
